

KBKG WELCOMES MATT KEMP AS REGIONAL DIRECTOR OF BUSINESS DEVELOPMENT IN THE SOUTHEAST

KBKG, a tax credits and incentives consulting firm, welcomes [Matt Kemp](#) as its Regional Director of Business Development in the Southeast.

Kemp joins KBKG after spending seven years in business development operations for a forensic expert witness firm.

In his role, Kemp will focus on supporting current clients, while building new relationships in the [Southeast](#) region. Kemp will also work closely with companies, and their CPAs, in identifying tax-saving opportunities to lower their tax burden, and focus on [Research and Development tax credits](#), [Energy Tax Benefits](#), and [Cost Segregation](#) studies. KBKG professionals based in

KBKG SERVICES

- Transfer Pricing
- Research & Development Tax Credit
- Cost Segregation
- Repair vs. Capitalization Review
- Fixed Asset Review
- 45L Credits for Energy Efficient Residential Developments
- 179D Incentive for Energy Efficient Commercial Buildings
- IC-DISC

the Southeast work with engineers and tax experts from its Pasadena, California headquarters to perform thousands of tax projects, which has resulted in hundreds of millions of dollars in benefits for its clients.

Prior to joining KBKG, Kemp worked for a forensic expert witness firm, where he connected clients with on-point technical experts to effectively address issues specific to their legal casework. He possesses a background that includes experience in small business financing, specializing in the legal and medical industries.

“Having someone like Matt on our team will help us continue to build a more visible presence in the Southeast market,” said [Jonathan Tucker, KBKG Principal](#). With his financial background, Matt’s ability to identify tax-saving opportunities will be an asset to our existing clients and help us create new relationships in the region as well. Matt’s track record speaks for itself, and we couldn’t be happier to have him on board.”

KBKG’s southeast operations are based in Atlanta, Georgia with a network of remote support throughout the region. Tucker is the firm’s southeast regional leader and Principal of R&D Tax Credit Services. He oversees a growing team of technical experts that serve businesses located in Georgia, Florida, North Carolina, South Carolina, Tennessee, Alabama, and Mississippi.

[About KBKG](#)

Established in 1999 with offices across the U.S., KBKG provides turn-key tax solutions to CPAs and businesses, including research and development tax credits, cost segregation, green building tax incentives (45L tax credits and 179D deductions), transfer pricing for multinational businesses, and more.
